

MOUNT ZION HOSPITAL AND MEDICAL CENTER

1600 DIVISADERO STREET • SAN FRANCISCO 15, CALIFORNIA • TELEPHONE JORDAN 7-6600

March 2, 1962

We are celebrating the 75th Anniversary of the founding of the Mount Zion Hospital and Medical Center during the week of April 8, 1962. Among the distinguished guests who will participate during that week is Dr. F. H. C. Crick of Cambridge. He will deliver the annual Franklin I. Harris Memorial Lecture on Monday, April 9th at 8:15 p.m. in our Nurses Auditorium. The title of his presentation is "The Nature of the Genetic Code".

You are cordially invited to attend Dr. Crick's lecture and also to be our guest at a dinner in honor of Dr. Crick. The dinner will precede Dr. Crick's lecture and will be held in the hospital dining room at 6:00 p.m.

We hope that you can attend.

Sincerely,

A. B. Sirbu

A. B. Sirbu, M.D.
Chief of Staff

*I am very sorry to have to miss Dr. Crick, but I will
be away in Japan on that date. Please give
him my best wishes, and accept my very warmest
congratulations on your own anniversary.*
